Any player or coach who receives a red card will be sent-off from that game and not be eligible to participate in the team's next game.

YELLOW CARDS

Any player or coach who receives one yellow card will be cautioned of the offense and allowed to continue to play.

A second yellow card issued to a player or coach during any one game will count as a red card and the player or coach will be sent-off from the current game and be suspended from the team's next game.

ACCUMULATED YELLOW CARDS

Three yellow cards issued during the tournament, will result in the sending-off of the player or coach from the current game and the player or coach will be required to sit out the team's next

game. The player sent-off for an accumulated yellow card offense CAN be substituted for in the current game.

If a player or coach is sent-off based on the accumulated yellow card criteria, calculating subsequent yellow cards will start from zero, as if the player had not received any prior yellow cards.

In the event that the ejected coach is coaching more than one team, that coach will be barred from all tournament sites until the team he/she was coaching, at the time of the ejection, has completed its next scheduled game. Spectators causing the coach to be ejected will be subject to the same penalties as the coach. If a coach has been ejected and there is no assistant coach, team manager or other team official, as listed on the roster to represent the team, the game will be ruled a forfeit and will stop at that time. All ejections will be reported in writing to the team's Club, League, and State Association.
